Dear Sir/ Madam

I am writing this letter to inform you that I would like to apply to take part in the YDP and the reasons for that is that I believe this opportunity will have a great amount of influence in my future career, not only that but it will give me a great experience in working with other people who are in the same design field, working with such people would have a great benefit in the learning outcome and allow me to know how the industry works, I believe I have the skills necessary to be part of this program and would love to take part.

I want to thank you for the opportunity with this programme and hope to hear from you soon.

Yours Sincerely

David Vidal Pedroza
